“ I can not come to the funeral, but I wanted Sally's family to know how much she impacted my life. I was a student at Kellogg High School & she was my guidance counselor in the 1970's. She helped me determine my career choice & to get a scholarship from the American Association of University Women. Later, we both attended St. Odilia to worship. I will never forget her. May the Lord comfort you in your loss.
