“ From what I understand, Sandy always enjoyed her annual time at the Lake with her family. This year she shared that it was wetter than normal. When she told us about all the rain, she was laughing about the fun time she had inspite of Mother Nature efforts. My sympathy to Sandy's family.

“ When I worked there - many a meeting at DHS was made better because of Sandy's wonderful presence. She was the brightest mind in the Medicaid program. Not only did she have an amazing legal mind but she truly cared about people in general. I know she will be missed by so many. I connected with her often recently and she was a truth-teller and advocate. She had amazing integrity. A wonderful soul.
