“ Sandy. We didn't know when we said good night to you on the beautiful autumn day, it would be the last. Our neighborhood will never be the same. Joseph loves his Tomas the train and twins drawstring bag. And those items now hold more value. You are a beautiful soul and now will be shining down on us from realms serene and high, chilling with Jesus until we meet again in heaven's radiant glow. Until then, you will be missed. Rest in peace
Love Joseph and Jennifer Bessard
