

Sandra L. Larson

April 1, 2013

Larson, Sandra Lee (Williams) Sandra Larson, 11/2/44 - 4/1/13, passed peacefully, surrounded by her family, having battled ovarian cancer for 3 years. Sandy was a loving and caring partner, mother and grandmother. She grew up in Minneapolis and was preceded in death by her parents, Charles and Carole Williams, and brother, John Williams. Sandy made her uniquely blended family a true family. She is survived by her husband of 25 years, John R. Larson; her sons, Jeffery Dypwick and Andrew Dypwick (Nicole Dypwick), and her stepsons Derek Larson and Bret Larson (Leslie Larson). "Gram" is also survived by 6 grandchildren she adored: Jagger Larson, 10; Fletcher Dypwick, 8; Lily Larson, 8; Ruby Dypwick, 5; Braelyn Larson, 5 and Kyler Larson, 3. Sandy raised her sons working at Anthony's as a fashion consultant, as a business manager for a law firm, and as a model. Her innate lifelong sense of style and design transitioned into SL Design, an interior design consulting business. She found great excitement in the challenges of color, form and style, as well as the successful marriage of traditional and contemporary. She could envision a room others were unable to see, then design it with a perfect balance of style, practicality and comfort. Sandy's family would like to express their thanks and appreciation for the excellent treatment and assistance of Dr. Levi Downs, Jr. and the team at the University of Minnesota Gynecologic Cancer Clinic, as well as the special care and attention of the professionals in Unit 7C Surgical Oncology section of the University of Minnesota Hospital. “ Sandy was one of my most favorite people. We spent many hours sharing those little things that wives, moms and grandmothers have in common. Her humor, her taste and her common sense will be greatly missed.
