

Sandra Metcalf

July 4, 2010

Metcalf, Sandra Marie Beautiful and loving mother, sister, friend and wife, passed away suddenly on July 2, 2010 in Minneapolis. Sandra was born December 2, 1953 in Minneapolis and spent most of her youth in the Minnetonka and Hopkins areas of Minnesota. She graduated from St. Mary's as a respiratory therapist and moved to Salt Lake City. She met the love of her life and future husband, Steven in 1975 via a conspiratorial matchmaker, Deon Simmons, to whom Steven will be forever grateful. Sandy and Steve were married on June 18, 1977 in Minneapolis, and spent their adult lives together in Salt Lake City. They raised two sons, Jamison and Scott, of whom she was immensely proud. She adored her boys, her daughter-in-law Taysia, and Scott's sweetheart Becca. Sandy achieved Grandma status this year with the birth of her granddaughter Ellie Ann. She completed her BS in Health Care Administration from the Weber State University and was an accomplished leader and contributor in her profession at Intermountain Healthcare from 1975 to 2005. Her family and friends were her life. Always thinking of someone else before herself, she loved working with people and inspired us, particular her husband and sons, to be better individuals. She is preceded in death by her older brother Bradley and her parents Bill and Dolores. She is survived by her siblings Barb, Kathy, Jimmy and Judy, her sons Jamison and Scott, her daughter- in-law Taysia, her granddaughter Ellie Ann, and her husband Steven. We miss you so much. Funeral services will take place in Salt Lake City, UT. Visitation Tuesday, July 6, 2010, from 5-8 PM

“ Steve and family. I was so shocked and very sad to read about the passing of your sweet Sandra. I loved to work with her and the respiratory family at LDS Hospital. She was always charming, witty and loved life so much. May the Lord be with your family in this tender time. Varr and Bernice Nelson, Sweden Stockholm Mission

“ Steve, Heard of Sandie's passing from mom yesterday. So very sorry. Be grateful for the wonderful life you shared. And be grateful that at the end she didn't suffer. Unfortunately it's the people she leaves behind that suffer instead. There's an irony there. My very best to you and your family. Take care. Gale Simmons

“ Dear family and friends of Sandy, God was generous and kind to each of us who had the pleasure of knowing Sandy. The large void we feel in our hearts will be difficult to fill, but I know Sandy would be the first to tell us that is exactly what we need to do. Sandy was so gifted and talented in many areas, and she excelled as a wife and mother. Our loss this past week has been Heaven's gain. God Bless Sandy and God Bless Steven, Jamison, & Scott.
