“ Sandy was a 12 year classmate of mine from Portland N D. She was always good- natured and seemed to be the peacemaker . She had a ready smile ,a quick wit and usually had a comeback for teasing from the boys in our class. There were only 16 of us so ,of course, we were pretty close! We missed having her at class reunions. She is the first of our class to depart and I must say it hit me hard. I wish i had known her family-was nice to see a picture of that SAME smile. God Bless Her memory! Joy (Rux) Ust McLain Hatton, N.D.
