“ TO Sandy's Family, Sandy was a very dear friend of mine at Minnehaha. I had hoped to see her again at the class reunion last Sept. She was one of my very first friends at MA in 9th grade and we sat together in lunch with Sheri Boyer and Sarah Beckman. Sandy knit me a hot pink scarf, hat and mittens as a surprise and I saved the scarf that has her label stitched inside. It says "Specially Hand Made by Sandra". I remember going to her house for sleepovers with she and Sheri and we would ride in her Turquoise Mustang! I wish I could have seen her again and let her know how much she meant to me. I was a bit shy in High School but Sandy was so outgoing and she introduced me to many of her friends and included me in her circle. We lost touch with each other after college age but I have always had very special memories of friendship. My heart goes out to all of you! DeeDee she talked about you all the time and I know you were a very special sister to her! I just found out that Sandy had passed when the Minnehaha Arrow came and Sheri Boyer called me. I wish I had known so that I could have expressed my sympathy to you them. God Bless all of you,
Debbie Syverson Larson, MA class of 1971.

“ Sandy's family--I, too, knew Sandy from First Free. We were neighbors. I was confirmed with her sister Dee Dee (Diane). Her Dad would often give me rides to church. May the Prince of Peace rule in your hearts.
