“ *Sandy was great friends of my folks and family. He and Dori used to babysit the 4 Eichhorn kids over on 1st Ave in Minneapolis. I don't know how they did it with three of there own and 4 of us.*

Sandy and I also spent some time together in Boston during the late 1980's researching early family lineage since there are so many of those early records in Boston.

I also know Sandy was very high respected in his field of work which was fire protection code and law.

Over all he was just a great person with a lot to give the world.

He will be missed by so many.

Dick Eichhorn, a cousin along with Sue, Steve and Roger(deceased) siblings.

Rest In Peace Sandy
