“ Heaven became truly blessed on Wednesday when Sally went home. She was truly a one of a kind lady in many ways. Truly she was the epitome of grace, elegance, love, and friendship. Always one to be there with an open ear, kind word, and sage advice when asked. I know she will be greatly missed by all of us that knew and loved her.

I am truly thankful to have been privileged to have had Sally as a friend.

My sincere sympathy to the family.

“ I extend my deepest condolences to Sally's family. She was a wonderful, loving person; a joy to know. I met her through my son who lives in Sun Lakes. I live on the other "end of town", and Sally acted as second Mom. She was always full of ideas and wonderful chatter. I know she is with the Lord.

“ My deepest sympathies to the family. We loved Sally here in Sun Lakes, we have missed her since her move back to MN and family, and we are glad she spent her last months close to those that she loved.

“ Roman and I loved your mother, grandmother and greatgrandmother more than you will ever know. She will always be with us in our hearts.

Words will never be able to express our feelings. We had the happiest of times as well as the most trying times for Sally. No one who ever met her ever went away feeling that they hadn't met one of the nicest people that they had ever known. She loved life and lived it to the fullest. We shared the highs and lows of our lives and we will be ever blessed to call her our friend.
