

Mr. Scott Dale Bauer

October 1, 1959 - July 22, 2019

Bauer, Scott D.

Age 59, of Golden Valley, passed away July 22, 2019. Preceded in death by his father Earl Dean Bauer; grandson, Jordan J Yenor; and loving grandparents. Scott will be deeply missed by his mother Sharon; wife Lisa; daughter, Michelle Yenor (John); sons, Brian and Kyle Schreder; grandchildren, Dallas and Tristen Yenor; brothers, Justin (Sheryl), Larry (Juli) and Myron (Kellie); and many nieces, nephews, grand-nieces and grand-nephews.

Scott was a loving husband, father and grandfather; a good-hearted man that loved his family dearly. He was fun-loving, had a big heart, willing to lend a hand to anyone in need, and always the life of the party! Scott was such a relatable guy, he made friends easily - when he met someone, by the end of the day they were the best of friends!

Scott loved spending time with family and friends, watching his beloved Vikings, dabbling in DIY projects (though not very successfully!), attending the

Minnesota State Fair, and fishing – he caught many walleyes on Mille Lacs Lake.

Scott loved music and spent the early part of his career in various roles related to music. He was on tour with the Rolling Stones for its '89 Steel Wheels Tour as stage manager. He was the co-owner of Control Sounds, a recording studio that was based in Minneapolis and had the once in a lifetime opportunity to meet Prince. Scott retired from the music business and then went on to proudly spend 21 years with Liberty Diversified International (LDI) in various roles. His time with LDI included the opening and managing of a distribution center in Virginia, where he and his family lived for five years. Scott came back to Minnesota to lead another LDI entity, until he retired in 2016.
