“ Thank you Scott, for being a friend when I needed one in December 2023, when I was going through the nightmare of South Dakota! I greatly appreciated you coming to pick me up and allowing me to stay with you for a couple days.

“ I would like to share this.... So Scott was my daughters bff she was sad this early morning so she decided to take a walk. The Sunshine was shining so bright and beautiful she took like 10 pictures, it reminded her of Scott. Only one of those pics had these 2 ducks in it. CRAZY part is them 2 were at a bar one day and she won 2 ducks and put them on his dash and told him they were her and him. Scott says "What the Duck" as i get off the phone with her telling me about it, my Husband comes in from outside and said he was standing outside and out of nowhere a duck came swooping over his head. Then he seen 4 deer out at the school behind us and all of a sudden one comes running full speed towards him. Gave me instant goosebumps.

Gonna miss this guy! He had the biggest heart,made of pure gold. A good friend, brother,son, cousin,nephew,grandson, and most of all a Great father! HE WAS A good guy all around. Gonna miss his Smile,Humor, he was one of a kind. This one hurts bad. We love you scott you will never be forgotten and will always hold a special place in our hearts! Fly high Brother! See ya when I get there.

Lord please take care of this precious sole, welcome him with open arms. He struggled everyday hiding all his pain behind that contagious smile ,fighting his demons every single day with every odd working against him, and he fought a good fight. Love you Scott!!!!
