“ I worked with Scott at Allina Health for just a year or two, before I moved on to another department. We stayed in touch through the years and I always found Scott to be a genuine man of God interested in others and always pointing to the glory of his life, Jesus Christ. He was a wonderful man, whose love of his family was evident and his love of people he worked with also apparent in how he interacted every day. He loved a good joke and was always pleasant to be with. Our loss is Heaven's gain.

“ My heart goes out to Scott's family as they grieve the loss of their husband, father and grandfather. I believe it's important to amend Scott's obituary by sharing that Scott spent the first 20 years of his life with his family in Tower, Minnesota and is survived by 4 brothers: Keith (Linda), Bill (Luanne), Lyle, Lowell (Kathleen) and 3 sisters: Elizabeth, Violet and Ruth and 12 nieces and nephews.

I share your grief and cherish my memories of my brother Scott. While he was a devoted man of God, I believe Scott also appreciated science. A donation has been made in Scott's memory to the Vaccine Advocate Program, a program to promote Covid-19 vaccination in communities across Minnesota.

Rest in peace Scott.
