

Scott Douglas Carson

March 15, 1962 - September 17, 2023

Scott Douglas Carson, age 61 of Minneapolis, passed away September 17th, 2023. Scott was born in Minneapolis to Earl and Dorothy Carson. He attended Edina public schools and later attended the University of Minnesota. At the U of M, Scott studied Business and Marketing and pledged with the Phi Delta Theta Fraternity where he established some of his closest life-long friends. Scott always wanted to be a copy writer but was convinced by a friend and former coworker to join him at his new company where Scott worked in sales and learned management print services. He spent 25 years of his career with Cartridge Care and Loeffler.

In midlife Scott decided he wanted to be an actor. He went on to fulfill his dream by performing in various community theater productions, commercials, print ads and local films. Scott never met a camera he didn't like

Scott loved playing and watching sports and was a huge fan of the Gophers, T-wolves, Twins and beloved Vikings. Scott's competitive nature was pure, regardless of the game. He respected a loss if you beat him, but it was rare for him to lose. He was a real talent to be respected in any game.

Scott is preceded in death by his parents Earl and Dorothy, and brother John. He is survived by his fiancé Amy Porath; brothers William and David (Sue); sister in-law January. Most of all the love for his nephews and niece; Matt

(Jen), new baby Cameron, Calvin, Henry and Melissa. Scott was so proud of you all and all the accomplishments you have achieved. What amazing adults you have grown into. Scott loved his family and his friends and was the life of the party. He will be greatly missed.

There will be a celebration of life on October 15th at Jax Café in NE Minneapolis at 4:30 p.m.
