“ To the Haney Family,
So sorry to hear about Scott! He was an epic character an a compassionate man, tho it took him awhile. I stayed up with him all night with years ago, listening to many of his life experiences! He was so funny! We graduated from Wayzata, together in 72. He and my Dad used to hang out and tell stories.. I was hoping to see him at the next reunion!
He will be missed.
He used to call me “little miss goody two shoes”. Which he found out later I wasn't.
He will be missed! 😊
Rest In Peace my friend. Gretchen Stemmer
