“ *I will never EVER forget the years growing up with Scott as he was not just my back-door neighbor. He was the wise and noble man who told us stories about the barn, sent me and my sister home with garbage bags full of popcorn and sprite, and brought our family closer to his. I will always be thankful for his kind soul and the blessings he has brought to mine and my family's life. Rest in peace Scott, I love you to the moon and back!*
