“ I will never forget Scott's HUGE kind heart, warm smile & how he used to pick on me. He was so easy to talk to & gave me quite a bit of brotherly advice, I already miss knowing that I can pick up the phone & call him just to talk. He will never be forgotten! So many memories, he touched so many people's lives. RIP dearest Scott! You have more than earned your wings. ??

“ Too many memories to list here but will try as they come to me. I cannot believe that today is his memorial service. I had not written yet because I did not have the words. I love him in this life and beyond. My soul mate, my other half.
