“ *That Guy!....The guy who rode me on his bicycle handle bars to take me to a carnival down the road from their house when my family visited (I was around 6, he was 16).....*

That Guy!....The guy who took me to a chic dancing place at the top of the IDS building when I was 23 and took my first vacation as an adult to visit Minneapolis.....

That Guy!....The guy who always brought I smile to my face with his stories at family get together.....
