“ We were surprized and very sad to hear the news. When we ran the club at Fairmont you always came down to play and visit Family. I always enjoyed seeing and playing with Scott. He always had a good attitude and was a good sport. Our thoughts and prayers are with the Family. He will be missed and remembered. Dave & Cindy Martens

“ My prayers and sympathy go out to Julia, Andy and Adam. Scott was truly one of the great ones. From the times we went to AWA wrestling, watching him play racquetball and also watching and eventually playing softball with Scott, it was always a great time with a great person. Whether it was playing gnip gnop downstairs, eating nut goodie bars and drinking Mountain Dew, or playing catch with him in the yard and hoping he did not tear my hand off with the speed that he threw the ball, I was so lucky to have someone like him in my life. I am a fortunate person to have been part of his life and to have him in mine. Totinos to you my friend.- Greg Hondo Bennett

“ My sincere sympathy to Julia and the boys. I knew Scott from playing racquetball in the mid/late 80s to early 90s. Scott was truly one of the "good guys" and I will always remember his smile and joking around. A fine gentleman gone too soon. Becky (Shirk-Osier) DeLaCruz

“ My deepest sympathy and prayers go out to Scott's family and friends. I met and played racquetball with Scott in the late 70s and early 80s before taking a 23 year long break. After returning to the game I was fortunate to rekindle our friendship and become one of Scott's doubles partners and played in many tournaments together. He was the last active player/friend I had from those long passed days and will miss having that unique connection with him. Scott was the main topic of discussion in this past weekends tournament and I'm sure he was happy to see everyone celebrating our fond memories of him. Rest in peace my friend and reserve some court time for me. - Jonn Olson
