“ *Stef, Justin & Brandon - I just heard about Scott from Pam down the block. I am just shocked and so sorry I didn't know earlier. I think of all of you often when I'm coming through the alley - you were such great neighbors. Scott was always so willing to help when needed and keep me updated on things I should be aware of. I appreciated how he looked out for the neighborhood. I know he was good at his profession and the City of Minneapolis Police Department misses him, I'm sure. But I also know he was an even better husband and father. It was fun to see him loading up the fishing boat with the boys helping him. You are all in my thoughts and prayers. Please let me know if there is anything I can do to help you at this difficult time.*

“ *I just wanted to tell you that I'm very sorry for your loss and that you will be in our thoughts and prayers. My name is Cindy Locey and I'm one of Scott's cousins on the Taylor side. I remembered Scott at one of our Family Reunions on my grandma's farm. We all took turns pushing each other down this little hill in a little red wagon and mostly falling out of the wagon but we were all laughing and having a good time. We didn't see him often but when we did we had a good time. He will be missed by all who knew him.*
