“ My dad, Shane Hatcher was an amazing man. He was very important and his life mattered. He was a kind, caring, loving, hard working person . He loved hunting, fishing, motorcycles, woodworking, camping, and hiking But most of all his family was his favorite thing. His grandchildren Gunner, Zaylee, Zoie, Azelia, and Zander were the light of his world, being a papa made him happier than anything in this world right along side my mom Jennie and us 4 children Randi, Rick, Shawna, and Cole. The pain left there are no words to explain.

We all love you dad and miss you very very much 💙
