“ I worked with Sharon at PSI for many years, along with 5 other people we shared almost every break together and had lots of laughs, and really got to know each other very well. She was such a nice person and a very caring and sweet wonderful person. We will miss her so much! My thoughts and prayers to you her family, she will be missed.

Sharon was my sister in law: I met Sharon at Country Kitchen where she was a fantastic waitress. She was a wonderful person and was always happy. The nice thing is Lenny and Sharon lived so close and we got to go over to visit quite often on the weekends. After her and my brother were divorced I didn't get to see Sharon and Steven very much. I did get to see Sharon at a graduation of one of my nephews or nieces. It was sad to see she had gotten so sick. God claimed an awesome angel the day he took Sharon to heaven.

GOD Bless and rest in peace Sharon I know you've been missed here on earth, but I know now heaven is a better place now !!!
