“ As i said to Sharon when she was at Jones Harrison, I remember how kind she was to show her unit ask Kenwood Isles to my husband and me. She didn't know us and she didn't have to do this. We were curious and she helped. Also, later she moved into the unit next to us where she often let Precious, the cat, cavort in the hall. Al and I would hear the goings-ons and come out to join. It was a lot of fun. She was a fine person, a wonderful neighbor. Parker and Al Trostel
