“ Sharon Norman joined the University of Minnesota community in 1991 in the Department of Rhetoric in the College of Agricultural, Food, and Environmental Sciences (CFANS). She was an Executive Office and Administrative Specialist in the Department of Rhetoric and was a welcoming presence in the department. She also helped support instructors through book/material orders and scheduling classes. During her time at the University, she enjoyed classes she took from various faculty in the Department of Rhetoric. Sharon retired from the University of Minnesota in spring 2007. Posted by her friends and former colleagues at the University of Minnesota.
