“ I met Sharon more than 35 years ago and fell in love with her wisdom and calmness. So sorry to hear of your loss, Jonathan. I lost touch with Sharon when you, Jon, were about 6 but I remember the parrot you had in a small apartment! Sharon helped me tremendously by speaking Truth to my heart.

“ I became acquainted with Sharon over the past several months when I visited with my husband in the Stanford Neighborhood. Words weren't needed to sense and feel what a beautiful person she was. My sincere sympathy.
