“ Dear Bill, Jessica, Jana, grandchildren, and Ron,

I am shocked and saddened to hear about Sharon's passing. I am so sorry for your loss. What a wonderful friend she was! I first met her in grade school after my family moved to New Ulm. We walked home together after school countless times, and that was the foundation of our friendship, along with humor, Girl Scouts, and so many shared experiences.

She was very kind and thoughtful, always. One time I had to undergo a minor procedure at Fairview, and she had seen my name on the patient list. She made sure to talk to me and gave me her support. A few times I walked over from the U campus and stopped by the nuclear medicine department to see if she was working. She always found time to chat for a few minutes and tell me family news.

She dedicated so much of her life to caring for people as a health care professional. Think of all the lives she touched!

I will go through my old photos and post some images of Sharon.

Please accept my deepest sympathy for the loss of your wife, mother, grandmother, and sister. She was a dear person whose friendship I always have cherished. She retains a special place in my heart.
