

Shawn Philip Halverson

February 6, 1975 - March 21, 2023

Halverson, Shawn P. age 48 of Hopkins. Passed away March 21, 2023. After recent unforeseen medical issues Shawn has been reunited with his Grandparents, Phil and Mabel Halverson, Paul and Dorothy Freeberg; Uncles, Jim Freeberg, Gary Freeberg and Don Garling; and Brother, Allen Halverson. He is lovingly remembered by: Father, James Halverson; Stepmother, Linda Halverson; Sister, Vicki Halverson; Aunt, Sally Garling; Cousins, Tracy Tennison & Sandy Sullivan. We'd like to thank the staff at Abbott Hospital for their exceptional care during these last two months. A special thanks to all the caregivers from Mt. Olivet Rolling Acres and Dungarvin, who were part of Shawn's life. They helped him live the most independent life possible. They were there for all his daily needs and to go on a 'van ride' or 'walk' whenever asked. During Shawn's early years he lived in the Victoria area and finished his education at Chaska High School. A highlight during his final year was when he was able to play with the band. Following his school years, he participated in different activity centers. This time ended during the pandemic. Since then, he had settled into a quiet routine that suited him well. Most days included walks, van rides and his favorite game show 'The Price is Right.' Shawn enjoyed opportunities to attend Camp Friendship and participated in Special Olympics. In lieu of flowers please consider donating to one of these organizations or to your favorite children's charity. “ *Halverson Family,
I am so sorry for your loss. Shawn will be greatly missed. I have so many fond memories with Shawn- hanging out by the Holiday in St. Boni getting all the semi trucks to honk, fireworks, parades, snowball fights, miles of walks, and more van rides than I could count. Shawn, thank you for all the smiles, laughs, and joy you brought to my life.*
