“ Oh Grandma the 2 month mark of your passing is coming up way to quick! You know people say it gets easier with time, well for me it seems to be getting harder and harder. I wish I could have another last talk....hug....kiss.....and to just hear you say "I LOVE YOU CARLA!" When you left to go home to be with the lord, Grandpa and are other loved ones, a big part of my heart left and went with you. Grandma if you can hear me today, just know I love you with all of my heart and miss you every day my very beautiful ANGEL above.

Love you always and forever!

“ *Sheila was a lady that loved to have company just to make another pot of coffee. When I seen her last summer, I haven't seen her in years. She still looked good and remembered me. I was sitting with another couple. I went over and chatted with Sheila and Suzanne for a bit. She asked who I was sitting with? I told her it was Papa Gene, Oh my, tell him to get over here... So I went to get him and they laughed and talked about ole times. It was good to see both of them laughing. God now has both of them in his care. They both are laughing and having a good time talking about all of us... Keep on laughing you too. We love to hear it.. God Bless*

“ *Grandma loved so loved her family each person had a part of her heart. My favorite memory of Gram is her love for Grandpa Jack. When they would be funny in front of us grandkids gram would chase gramps down the hall with a fly swatter saying, " Jack I'm going to get you!" Us grandkids would laugh and laugh and laugh. They would laugh just as hard. I Will NEVER forget you Gram LOVE you with all my HEART!!!!!!*
