“ My thoughts are with my old friends today. You dont get many special friendships in a lifetime and Sheila was one of mine. She had the prettiest smile, laugh, cry and her eyes...lv seen them 1000 times these past couple days right down to the lashes. I wish i could be there to give and receive support to and from her family. I can hear her laugh now, see her smile and i get hit with memories I thought I forgot like a ton of bricks. Im sorry i never told you all I wanted to say. Rest easy Sheila E, until we meet again. Gigawaabaniin. With my best of friendship, love and loyalty. Forever yours, Shannon Leigh

“ I am so sorry for your loss. I wish I could be there with the family at this time to mourn along with you. My heart aches. We had known each other 46 years and popped in and out of each others lives but there was always love. I will miss her deeply. Love to all the family.
