My sympathy to the family. Shelly was a very nice man and will be missed. He had open arms waiting for him at Heavens door.

“ *This man epitomized the word “Dad”. I only knew him as “dad” for about 10 years. I wish I had the opportunity to know him longer. Sheldon would bend over backwards to take care of his family and friends. He was generous in heart and soul and had such a warm smile, you just wanted to smile back. He will be missed by his wife, sons’, daughters and grandchildren. It was great to call him Dad for the time I got to be with him. Our loss is Heaven’s gain. Love ya dad. – Your favorite Son-In-Law Mark*
