“ Dear Shelly,
I have so many memories of me, my mom, and my dad spending time with you, Diane, and Dana as I grew up. You built the first home I ever lived in. And you partnered with my dad many times over the years. We are so sorry to hear of your passing. We are sending big hugs and lots of love to those you leave behind. You were truly a light in this world and one of the kindest people I've ever known. Now it's time to take your rest.
Love,
“Fristy Carson” and family.

“ Grandpa we are going to miss your wit and charm. I'll never forget you having me sit down in your office one Christmas, and get me to open my first investment savings account. I think that must have been when I decided to go into banking. We are sure going to miss you 💔❤️👍

“ Even though we never officially met, only online, you are still family. RIP and thoughts to your MN family

“ *Daddy, it's me, Toots. I can't believe you're really gone. I love you more than words can say. My world and heart shattered the day you left us.*

I'm doing my best to be strong and make you proud.
