“ Sherrie always made the family laugh when she did her impression of our grandma talking to our dad. So many great memories. You leave a hole in our family but you will always be present in our hearts.

“ I don't remember Sherrie but I am sure we chatted at the conference table when I taught her two boys. I am saddened to hear of the loss of their mom. Reaching out to the family...the old English teacher is sending his condolences for your loss. I'll keep you in my prayers. Losing a parent is about as painful as it gets. I'm so sorry.
