“ Beware of echovita. They did not, and do not have permission to publish this obit just because they found it on the internet. What is truly despicable is that they try to sell friends and relatives a bunch of crap so they can raise money. They should go get a job and do actual work like a real man would.

This is pretty much what I told them, but I used my drunken sailor language and compared them to Donald Trump and his grifting.

I guess Washburn-McReavy does the same thing. Buy flowers, buy a candle, buy a virtual gift whatever the hell that means, or send a card. JUST SEND US MORE MONEY. This is not how we were raised, and they should all be ashamed of themselves.
