Somewhere in the Maryland mts, we stopped, she wanted to take pictures of the wild flowers. I took a picture of her though the windshield. She was a great subject and a great person to be with. I miss her so much. Dale

Shirley was always crafting new things, flowers, gift boxes, scrapbooks, greeting cards. Shirley loved crafting things of beauty especially if they were for others to enjoy.

*Rest in peace Shirley Ann. I love you always and miss you so much,
Dale*
