“ Roger,

This is a friend from the past - Bob & Jane Murphy. You & Shirley would always come to Manchester on your way to Mount Mercy College in Cedar Rapids for the golf Tournament. You guys would always say "I needed to stop in Manchester for a Murphy Fix"

Jane and I are so sorry to hear about the passing away of Shirley. She was such a great person and will be truly missed.

When you guys came to Manchester Shirley and you would always bring some Honey Crisp apples and you guys made it a point to always stop at Perkins to pick-up muffins. We truly miss those times.

We heard about Shirley's passing away through conversation with Kelly. You guys followed Kelly all through her years at Mount Mercy when she was on the Mount Mercy Golf Team. Kelly is a nurse at Mercy Hospital Cedar Rapids and works in the Oncology Ward Kelly and her husband Chris Landherr live in Cedar Rapids and they have 5 children.

Again, sorry to hear about Shirley and our condolences to you and your family.
