“ Shirley and I were second cousins. Our grandfathers were brothers. We were very close in age too. Shirley was about two months older than I. Most of our milestones occurred at the same time...First Communion, Confirmation, graduation from high school, etc. She took videos of my wedding in 1990 and shared them with me. My favorite memory went back to around 1952. She helped me to smuggle a kitten into my car to take home as a pet. Unfortunately, my father was smarter than the two 8 year old smugglers and I had to return the kitten the next day. Save a good place for me on the other side, Cuz.
