“ Our hearts are so sad with the passing of dear, sweet Shirley. Our family met Shirley and George when we first visited Faith Pres. Church almost 40 years ago. We sat next to them that first visit and our friendship began instantly as they welcomed us, Shirley with her kind smile and gentle spirit and George with his humor and drawings he made for our son and daughter. They became constant friends for so many years, always encouraging and supporting the kids' activities at church. We all send our deepest sympathy to your family with love in our hearts that they are together again, holding hands and smiling. Their memories and love will always remain with us. Love and peace to your families. Suzanne, Jim, Mike, Heidi Kuhlemeier
