“ *My Aunt Shirley*

*Aunt Shirley was an amazing person. I have fond memories from my childhood days in Bloomington when we lived a block away from her home in the 1950's. And of course many more memories.*

*I was fortunate to have visited her earlier this year. She was bright, funny, politically well informed and a joy to talk to. We enjoyed looking through her family scrapbooks and reminiscing. Our whole family owes her a debt of gratitude for her geology research and the wonderful books she prepared for all of us. She really brought our ancestors back to life for us to appreciate.*

*My heart goes out to my cousins and their families. I could tell from our conversation during my visit just how much she loved and appreciated you all.*
