Washburn-McReavy 612-377-2203

Tribute Wall

ME

“*Joan, I just learned of Shirley's death. I wanted you to know how much I enjoyed knowing Shirley; she enriched the lives of many of us at Andrew Residence. I always felt like she and I had a nice connection because of our Northern MN roots. You were always a loving sister to her; you anchored her and made her life better. I hope her last years after leaving Andrew were peaceful.*
