“ Shirley was a passionate supporter of adult education and working with her with the Minnesota Association for Adult Education over the years was a joy. Yes, she was also a die-hard Jungian, but even more so, a dedicated, enthusiastic and concerned professional interested in others, our society and world. I never knew her at the age of the photo, so I'm sorry I missed her celebration. I will always remember her wonderful smile, social awareness and intellectual mind. May she rest in peace!
