“ To All of the Family of Sid.....today and even this moment as we write, it is the funeral of Sid. How we loved him! He prayed for us, he asked how we were, he cared....those memories will always be with us. May our Lord grant you every ounce of what you need right this moment even as you read this..... We love all of you too. We'll be with Sid again in the Lord's presence someday and oh that thought brings abundant peace as we sit here and think about it. Do know that we care and have you in our hearts today.
