“ *Sonja was my organ teacher for many years. And a great one at that! I am so lucky I reached out to her to let her know I got a keyboard during the pandemic. It was so nice to chat with her and hear her encouraging words. I hadn't played in 40 years. I will always remember her as a fun and caring person. She was great.*

“ *May it help to know that friends of long ago are sharing your sorrow and offer deepest sympathy to your Family.
Sonia was our wedding organist and helped to plan wonderful music, 55 plus years ago(!) at Trinity.
With our Love and prayers for comfort,
