“ I knew Sonnie in high school at Hopkins and recently enjoyed a conversation with her on the phone following our 50th class reunion. It was on my "to do list" to give her a call and stop and see her "sometime soon" as we agreed. But, now I see that she has passed and it saddens me greatly. My memories of her from high school are of a friendly and caring young lady. God bless her memory and also her family. Dave Benson, Aitkin, MN
