Soren was my front floor manager at Faribault Walmart. I knew him for a short time, but he was a great young man. My deepest condolences to the Families.

“ You became my rock and little brother. My heart hurts not seeing you. You were always there for people no matter what. You never let a fellow manager stranded and would work long hours to help support us. You were a true leader and inspired me to be a better person. I remember all the advices and long talks we had. I miss you so much !!!
