“ *In the 1970's Sounan and his family moved to Portland, ND when they first settled in the United States. They were sponsored by a group of people at Aurdal Lutheran Church, including my parents. This gave me, a teenager at the time, the opportunity to become friends with this wonderful family. Sounan and my father were like brothers. They worked together, ate together and even hunted together. My mother was like Grandma to all the children. I learned so much from this family. Many Asian virtues were evident in the way they lived that helped me understand the values evident in other cultures. This changed the trajectory of my life. And I am thankful for this. I am thankful for this man's life, and for how his life enriched mine. God bless Sounan's memory. Mark Strand*

I haven't seen any of your family since you moved to the Cities, Bounun, but I have fond memories of working with you and Sounan at Luther Memorial Home, during those early years in Mayville. You were always a ray of sunshine, and both of you were great to work with. I remember how you entertained, serving amazing Lao dishes with great style. What a feast! Blessings to your family as you celebrate Sounan's amazing life. What a story he had! Margaret Dahl
