“ Dear Margie and Jen, I remember meeting Stacy and Steph when I joined the "Baker family" many years ago. At first, I wasn't able to tell the twins apart. Then, Stacy's huge personality emerged !! Boisterous, opinionated. and persistent. Lover of puppies, everything pink and jewelry. Always calling her dad, "Daddio"!!. Her multitude of hair colors. How Stacy enjoyed shopping, outings, travel, Baker gatherings and food!! She will be missed and remembered forever. Love, Esther

I'm so sorry to hear of Stacy's passing. I remember that when I'd see her at church, she always had a big smile on her face. You were such a caring and loving mother to her too. My deepest condolences. Laurie Mazanec
