

Stacy Ellen Nicholls

November 25, 1979 - May 20, 2024

Stacy Ellen Nicholls, lovingly known as "D," passed away on May 20, 2024, at the age of 44. She was born on November 25, 1979, in Minneapolis, MN, and most recently resided in Cedar, MN.

Known for her bright spirit, Stacy always greeted her loved ones with her favorite saying, "Hey Sunshine." She was a dedicated homemaker and made valuable contributions to her community by helping with the children at the local elementary school.

However, Stacy's greatest joy in life was her son, Grant. Her love for him knew no bounds, and she cherished every moment spent together. Alongside Rob, her husband of 15 yrs., she poured her love and care into creating a nurturing environment for her family that will forever cherish her memory.

Preceded in death by her father Craig Anderson; in addition to her immediate family, Stacy is survived by her mother Kathie Anderson and many other family members and friends.

Stacy will be remembered for her love for her family and unwavering dedication as a mother. She leaves behind a legacy of warmth and kindness that will continue to inspire those who knew her.

Stacy's family wishes to thank everyone for your prayers and support. The love and kindness you have shown us has helped us through this time of grief.

“ *Kathie....I am so sorry to hear about Stacy's death. She was definitely a shining angel. I have very fond memories of her playing with my daughters, Jamie, Jill & Jodie Flaherty when they were all in grade school. Running through the yards from house to house- deciding which house was serving the best lunch of the day! I know that Stacy is in heaven looking down on you. God bless & be well!!*

“ *Our fondest memories are taking Stacy home with us after a busy Thanksgiving day eating and sledding at grandma and grandpa Johnson's and taking her down to Dayton's 8th floor Christmas display and to see Santa Clause then lunch, always a good patient little girl with all the rush. Also who could forget those fabulous Thanksgiving dinners with all the families together her meals were second only to our mothers. Stacy will be sorely missed by everyone who knew her! Our sincerest sympathies to the family.

“ Stacy will be so missed! She was a wonderful person with a heart of
gold! Our family got to know her through the years of Hockey. With
different kids in different events, we could not always be at Jacob's
hotel hockey tournament's. When I needed to send Jacob With
someone for the weekend , Stacy was the first person I called. Not
only was she always willing to take him, but I knew Jacob would be
in the best hands with her. She took care of him like he was her
own! Her legacy will live on through Grant who she loved so dearly!
