“ Stan,

We had so many long distance calls to each other over the last few years. Both with wives lost, memories of childhood and adolescence, hopes expressed. I will miss your voice. My sorrow at Janelle and family's loss will last.

“ *We have been blessed to have had Uncle Stan in our life. Rainy Lake, family get togethers, lunch at Culvers after church, these are all memories we will cherish. He was a best friend to Dad and a wonderfully supportive brother to his sister Marian, especially after Dad passed away. For us he is an example of a man who led a Christ centered life. He was kind, generous and supportive. We will think of him often as his memory brings a spark of joy to our hearts.*
