“ Stan brings memories of good times: Ski trips, Lake Minnetonka, sailing, boating & swimming, often with great & plentiful beverages. Partying with Stan's guitar and song for entertainment. All will be missed greatly. We first met in 1968 and was often, along with Char part of our lives. Mark and our recently arrived daughter from Korea became good friends. It'll be hard to look at the many photos, but good times will be remembered through them. Ken & Ellen Kortz and Kim Kortz Holland

“ Mark, I was saddened to hear that Stan passed away. He was a close friend of our family and a wonderful neighbor. He and your mom were always welcoming to the kids on Elmo Road. I have many fond memories of skiing with Stan and being embarrassed as he yodeled on the chairlift. Later, I did the same thing to my step kids! I remember him singing songs and playing the ukulele. What a long, successful life he had! We will miss Stan, and I wish you comfort as you say goodbye. Lori Torvik Hamilton
