“ Stan was a great mentor and friend to me. He along with his brothers, George and Charlie were the heart and soul of Acme Metal Spinning.

Stan had a great talent and sense of humor. For his children; he was a lot to be proud of. He will be missed, but not forgotten.

“ My mother, Joan McArdle, was also a resident at Autumn Glen. Stan was part of the breakfast club that dined together every morning. My mom talked a lot about him, his great sense of humor and how much she enjoyed his company. She was so excited when the group was invited to his pizza birthday party! Stan spent a lot of time sitting in front of the fireplace in the lobby. He would always greet me when I came to visit. He was always so pleasant. My deepest sympathy to the family. He was a great man and I'm so blessed to have met him.
