“ *He was an individual, but did not necessarily demand individual attention. We had many a good time with him with some serious discussion about life's issues. Thanks Stan - from Irene & Tom*

“ *What a great tribute Jerry! Your dad was a very special man indeed. From the 1st time I met him he was and remained a true and honest friend. Always willing to talk and listen. I know he will be missed by all of you, but yes, you are correct. He is in a better place. And the tears are not for him, they are for the ones he leaves behind who will miss him so!*

“ I have typed this and erased it countless times. I tried to be anecdotal, but find that there are too many! So I leave it at this. I could not have asked for a better father and advisor. The past 10 months seemed so unfair to you, but you are in a better place now. I will do my best to bear your name proudly. The past 55 years I shared with had many ups...and a few downs, but I would never, and could never, ask for a better father. I have, and will always love you and mom with all my heart. This blackness will pass, and only warm thoughts and memories will remain. Stan...you will ALWAYS be the man...my dad, and my friend.
